## THEOFANO CHRISTOU

PHD CANDIDATE  
LINGUIST

SPEECH & LANGUAGE THERAPY  
DEPARTMENT,  
UNIVERSITY OF PATRAS

**Theophano Christou** is a PhD candidate at the University of Ioannina with research interests that belong to the area of Psycholinguistics (Syntax and Sociophonetics). She holds a BA in Philology from the University of Ioannina, followed by a MA in Linguistics (Sociophonetics) at the same university. She taught Phonetics, Phonological development & disorders, and Language Development, among other courses, at the Department of Speech & Language Therapy of the Technological Educational Institute of Epirus from 2007 to 2013, and Greek as a foreign Language at the University of Ioannina from 2008 to 2014. She has participated in the EU funded research projects Thalys:Vocalect (The phonetics of Greek dialects) and Iread (Language abilities in dyslexia), and has published in national and international peer reviewed conferences.
