

DIMITRA TERZI

VISUAL ARTIST

INSTITUTE FOR LANGUAGE AND SPEECH
PROCESSING, ATHENA RESEARCH CENTER

Dimitra Terzi is a visual artist, graduate with honors from the Athens School of Fine Arts (Department of Painting). She specializes in digital representation (illustration video and animation) and its application in music, science and theater, as well as in special constructions of stage objects and garments. She is particularly interested in visual images as a form of communication of ideas and knowledge for scientific, educational and therapeutic reasons.
